

MobileSTOR MS1UT+B

3.5" SATA Hard Drive USB 3.0 / eSATA Enclosure w/ Removable Tray

The **MobileSTOR MS1UT+B Series** is an unique external 3.5" SATA Hard Drive enclosure with a removable HDD tray. The combination of fanless design and aluminum housing provide quiet yet cool operation. With portability in mind, the compact MS1UT+B weights only 2.2 lbs. The removable hard drive tray is interchangeable with certain MobileSTOR or MobileRAID series models to provide ultimate compatibility between various units. With support of high performance SuperSpeed USB 3.0 Interface (5Gb/s), as well as eSATA 6G support, MS1UT+B provides the best performance in the market. USB 3.0 and eSATA dual host interfaces are supported for PC, Linux and Mac OS with time machines supported. MS1UT+B is an ideal personal storage for creative professional and personal backup.

Features

- Portable External Storage with a Removable Tray.
